NOVEMBER 10, 2024

32nd Sunday in Ordinary Time

Once at an evening Mass as a poor college student, the collection basket was fast approaching, and I only had a ten-dollar bill. I was planning on using that to buy my favorite Chipotle burrito that night for dinner. Should I keep the money? Who would know if I did? If I gave it away, what would I eat? Would I be okay? I kissed my future burrito goodbye, dropped the money in the basket, and winced. But strangely, the rest of the Mass I felt more engaged than usual. I had skin in the game. I left the Mass excited to see how God would take care of me. And he did, in amazing ways. When the poor widow places two copper coins in the temple treasury, Jesus doesn't pity her. He praises her. He blesses her. He brags about her. He celebrates her as the temple's largest benefactor. Her giving is an act of radical, concrete trust in God. It is as if she is entering a new level of giving that excites Jesus, because she contributes not out of her abundance, but she gives **"everything she had."** What a challenge this is to each one of us! How easy it is to ignore this! But imagine the eruption of the energy of faith, hope, and love that would be unlocked if our financial sacrifices to the Church actually tapped into daily bread and not only our disposable income. I challenge us to try this in some way this coming week and see what happens in our hearts. Even if it costs us a burrito. – *Father John Muir*

BLESSING OF VETERANS

There are so many veterans in our county now. It used to be that veterans were a small contingency in our communities. It did not take that much effort to care for and, once a year, thank them. Now, however, with so many wars in violent parts of the world, there are more veterans than we can compassionately care for. There are many men and women who come back from the service who are wounded for life, either physically, mentally, or emotionally. On this Veterans Day, let us remember those who have served our country, but more than remember, let us redouble our efforts to care for those still with us. Let us pray... Good and gracious God, you do not condone war. Help us to understand the cause of war and work toward alleviating it from the face of the earth you created. We ask you to bless the veterans of our country, but also to bless the veterans of our enemies too. War is the ultimate failure on our part to see the needs of our neighbor. Let us remember that our neighbor is our brother. We ask this in the name of Jesus, our brother and Savior. Amen.

Many rich people put in large sums. Calling his disciples to himself, he said to them, "Amen, I say to you, this poor widow put in more than all the other contributors to the treasury. For they have all contributed from their surplus wealth, but she, from her poverty, has contributed all she had, her whole livelihood." - Mk 12:41c, 43-44

A PRAYER FOR VETERANS

Heavenly Father, King and Lord, you instill in all of Your creation an order and value. You call Your children "very good." We surrender to You the conflicts that tear your family apart. We pray for an end to blindness that places pride, greed, power, and selfishness above human dignity and brotherly love. We pray in gratitude for all of those who have defended peace, virtue, and justice with honor. We pray especially for those who have suffered in mind and body from the ravages of war. Let Your Kingdom come! May Your peace that surpasses all understanding reign in our hearts and in our world. Amen.

"She went to **Purrrgatory.**"

Saints

Question:

Our prayer group has been reading the lives of some saints, and we were struck by how some of them thought they were such sinners. Why would such holy people think they had such serious sin?

Answer:

Professional athletes practice the fundamentals of their sport over and over again, reaching for better form, consistency, and better performance. They focus on the basics, review past performances, and visualize greater success. Practice makes better, if not perfect! Spiritual masters such as the saints also looked for perfection. They practiced their faith in the search for holiness, grace, and virtue. Through sacraments, prayer, study, good works, and penance, they raised their level of awareness, their sensitivity to the presence of God, the demands of the Gospel, and the workings of the Holy Spirit. They examined their consciences daily, reviewing the day for moments of failure and times that they could have been more virtuous in one way or another. They resolved to do better, be more attentive and alert! Therefore, anything that would distract them or interfere with their relationship with God would be like a small black spot on a bright white wall – you can't miss it! The great saints were aware of sin and the presence of evil because they were so tuned in to the struggle between good and evil that was fought in their own lives, hearts, and souls. We must guard against becoming desensitized to sin in our lives and unaware of the harm it causes us. A goal of any spiritual practice is to become more aware of our sinfulness so that we seek God's forgiving and healing love.
